

Recycling EURAJOEN ROMU OY

...according to our customers' wishes.

From our platform collection:

- Trash containers / skips
- Scrap containers
- Machinery transport platforms
- Gravel containers
- Covered containers (side opening, rollable plastic covers, sliding covers etc.)
- Chip containers

Standard equipment in all platforms:

- Hook and cable mounting
- Rollers
- Rivet welding
- Covered hooks
- Ladder
- Blue colour
- High containers also have side-releases

Scrap containers come in three different sizes. The inner length in in-stock models is 6.1m and the height of the sides is 1.5, 2.0 or 2.5m.

All containers can be fitted with covers. Cover options include: hydraulic covers, rolling plastic covers, metallic sliding covers.
