EURAJOEN ROMU OY

METAL PRODUCTS

We carry a range of materials for both industries and individuals.

- Formed steel.
- Iron pipes and plates.
- Hollow bar tubes and rods.
- Furniture and RHS-tubes (tubular beams)
- RST-pipes and plates.
- And other supplies for both industrial and household needs.

BOXES

We offer different sizes. The basic size of 1.8m x 1.35m x 1.0m and weighing about 400 kg we have in stock. We can also build boxes to custom specifications, just like you need!

Different colours are also available!

INTERCHANGEABLE PLATFORMS

Height of sides can be between 1m - 2.5m

- Length of platform can be, for example, 5.5 - 6.1m
- Different thicknesses
- Possibility of a stronger material in the base
- All platforms have hook and cable mounting
- Possibility of wide or narrow rollers
- Chip containers with liquid collecting plate and cover
- Covered containers with different types of opening

Our platform and container collection includes everything from trash skips to chip containers. **Everything can be made to specifications!**

We also have hooks and other fixtures for platforms.
